Discs

There are three circular discs. A number is written on each side of each disc. If I place the discs so that the number on only one face of each disc is visible, it is possible to get each of the following totals: 15, 16, 17, 18, 19, 20, 21, 22.

What are the numbers on each disc?

	Disc 1	Disc 2	Disc 3
Side 1	◯	◯	◯
Side 2	◯	◯	◯
