

SANTA NEEDS HELP!!!

Santa would like to give out gifts to the children in the Orphans' Home. To do this, he would like to go into each child's room and leave a gift. But he doesn't want to go into any child's room more than once so that he won't wake the children.

Only after he has gone into every child's room can he go into the front hall. While he is there he will leave a gift for the director and then he will leave through the front door.

The floor plan is shown below. Santa is standing in the rear entryway waiting for you to find a route for him. CAN YOU HELP HIM?
